Habakkuk 2:2-3

Then the Lord replied:

“Write down the revelation

and make it plain on tablets

so that a herald may run with it.

For the revelation awaits an appointed time;

it speaks of the end

and will not prove false.

Though it linger, wait for it;

it will certainly come

and will not delay.”

Dream Partner Session

What is the dream you will start with?

Define the Dream - turn it into a S.M.A.R.T. goal. (See chart.)

Set Goals (ie: For each strategy; dates for project completion.)

Define Strategies:

Who?

What?

Where?

When?

Why?

How?

- **Defining the Dream – turning it into a S.M.A.R.T. Goal**

Converting your dream into a specific goal brings more focus. The greater the focus you have, the more power you have to move forward. A dream can drift along outside the realities of time and resources, but a defined goal brings the clarity to move forward in a purposeful, structured way.

SPECIFIC – *How clear is your dream?*

MEASURABLE – *How will you identify your progress toward your dream?*

ATTAINABLE – *Is your dream within your capabilities?*

RELEVANT – *How significant is this dream to you?*

TIME BASED – *When will you start or complete your dream?*
